

The below table outlines the availability schedule for the WSX Championship races available by region. Ultimately WSX would prefer to make all races available to fans around the world to watch live, however, pre existing agreements with media mean there are some limitations in place.

Fans still can sign up to WSX.TV completely FREE and receive race highlights and publicly released, behind the scenes team and rider content all in the one place.

REGION	FREEMIUM (General content)	PAY PER VIEW (Live race availability)	CHAMPIONSHIP PASS (Live race availability)
